In one of his many letters, Ignatius Loyola wrote that “ingratitude is the most abominable of all sins...for it is a forgetting of the gracious benefits and blessings received.”

He called ingratitude “the cause, beginning, and the origin of all sin and misfortunes.” But Ignatius also offers a positive corollary to this insight: “On the contrary, the grateful acknowledgment of blessings and gifts received is loved and esteemed not only on earth but in heaven.”

Gratitude and generosity operate together as a single virtuous cycle. Each gift recorded and tallied in these pages represents a story of gratitude – an acknowledgement of how God’s blessings were felt and known through the graces of a Regis education, either recently or, in some cases, many decades ago.

Gratitude motivates generosity, and it is the force behind the more than 9,000 gifts we received during the past fiscal year, totaling an extraordinary \$10.6 million.

These gifts provide a majority of Regis’s operating expenses, and they propel our mission in countless ways. Regis was named the nation’s No. 1 Catholic school and No. 1 all-boys school in one recent ranking, as well as the No. 3 school for STEM in New York State. Regis sends 74 percent of its graduates to a top 50 college or university, while 25 percent matriculate to a top 20 college or university.

Taken alone, I believe such rankings and college outcomes demonstrate little value. But imbued with Regis’s mission of faith and service, their value is incalculable. Regis graduates are formed to become men for others who dedicate their lives to God’s greater glory. Thanks to the character development our students receive in our retreat and service programs, our graduates understand and embrace their role in advancing the common good through the loving acts of service they offer to their families, their communities, the Church, and our larger society.

Indeed, these characteristics are the gracious benefits and blessings of a Regis education. Thank you for engaging in this virtuous cycle which helps to extend these opportunities to new generations of young men who arrive at 84th Street eager to participate in this transformative mission.

THANK YOU!

On behalf of Regis High School, we extend our deepest gratitude to every member of our community who generously contributed to the 2024 Annual Fund. Your unwavering support is a testament to the shared values and commitment that bind us together. Year after year, the Regis community rises to the occasion, ensuring that we can continue our mission of providing a tuition-free Jesuit education that nurtures young men who are ready to lead with knowledge, compassion, and a sense of purpose. This wouldn't be possible without the dedication of alumni, parents, and friends like you, whose belief in our mission makes all the difference.

Your contributions have a profound impact, touching every corner of the Regis experience. They allow us to offer a rigorous academic program that challenges our students to think beyond the classroom while also enriching their personal development through vibrant extracurricular activities. Whether it's in the arts, athletics, or service to others, the opportunities made possible by your generosity equip our students to explore their passions and grow in faith and character.

As we reflect on the accomplishments of our 2024 Annual Fund, we are reminded that none of it would have been possible without your partnership. Your contributions to the Annual Fund support the programs, initiatives, and scholarships that define who we are as a school. Together, we are preserving a tradition of excellence that continues to shape the lives of our students and the future of our community.

Thank you for your steadfast dedication to the mission of Regis High School.

At Regis, we do more than educate.
**We shape leaders, compassionate citizens, and
 critical thinkers — all rooted in Jesuit tradition.**

For generations, Regis has remained an institution of outstanding scholarship and spiritual growth, where students are nurtured not only in mind but in heart and soul.

Every year, the Annual Fund serves as the foundation for our school's success. It makes possible the experiences that shape every Regis student's journey. Your generosity is more than just a donation; it's a commitment to the belief that education has the power to change lives. It's a declaration of faith in our mission and a testament to the strength of our community.

The Annual Fund provides the majority of our operating expenses each year. But your support goes beyond maintaining operations; it provides opportunities that allow students to thrive and realize their full potential.

We're proud to be a tuition-free, merit-based school, where students are admitted based on potential, not on their family's finances.

This model is only sustainable because of your generosity. Every class, every teacher, and every activity hinges on the support we receive from our community.

Join us in shaping a future filled with promise, progress, and the unwavering Regis spirit.
