1. There are two types of transcripts. Please check which type you are requesting.

A. OFFICIAL TRANSCRIPT: bears the official raised seal of the school and are sent to organizations like a college, university, or a scholarship foundation. Faxed transcripts are not official because the raised seal does not transmit in a fax. Official transcripts are generally not given directly to a student. In the exceptional cases, where a student must include an official transcript with his own materials, the school can either mail out the completed materials on the student’s behalf, or the transcript will be given to the student in a sealed envelope with a signature or stamp across the back flap. For each official transcript issued, there is a $2.00 processing fee for current students, and $4.00 per transcript for alumni. For seniors, transcripts requested during the first and second trimesters will be billed to the student before the end of the year. In the third trimester, and for all other students, transcript requests should be accompanied by the appropriate fee.

B. UNOFFICIAL TRANSCRIPT: does not bear the official seal or a signature from a school official
